Notes or special instructions:

SAMPLE SUBMISSION

Please provide the following information when submitting sample(s) for analysis:

- Name, address, telephone, fax number and Email address of contact person to receive the results and the invoice.
- Copy of Purchase Order if necessary.
- Sample identification code or # for each sample. Description of each sample and quantity submitted. When multiple analysis is requested for the same sample, enter ABL catalog numbers on the subsequent lines without re-typing sample information.
- Analysis required for each sample ABL catalog #).
- Comments: special instructions for sample and analysis (e.g., special preparation procedure)

PRICING and TURNAROUND

• Prices shown on the price list are for single samples with standard turnaround time of two weeks or less. Extra charges for *rush* work. We offer discounts for quantities over 5 samples and special pricing for major projects. ALL PRICES ARE SUBJECT TO CHANGE.

RESULTS

• A Certificate of Analysis will be delivered via email or faxed the day the analyses are completed. A hard copy will be mailed with the invoice the same day. We do not interrupt results but we will try to help to understand the results when needed. Please contact us at info.appliedbiolabs.com. with your questions. If your needs go beyond the typical questions related to the determination of a particular biomarker, then we can recommend a physician or other qualified persons to provide a consulting service.

SAMPLE RETENTION

• Samples are retained for 7 days after the results are sent to the client. If the sample is perishable, it will be discarded immediately after the analysis is completed, unless instructed otherwise by the client. If the client formally requests samples be retained for longer than a week, and refrigeration storage is required, a fee will be charged.

CONFIDENTIALITY

• All work is held in confidence and will not be released to other parties without the written request of the client.

LIMITED LIABILITY

• Applied Bioanalytical Labs, a limited liability company, makes no warranty of any kind, expressed or implied, including, but not limited to, the warranties of fitness for a particular purpose and merchantability of analysis results, except that the results are accurate. Buyer's exclusive remedy and Applied Bioanalytical lab's sole liability hereunder shall be limited to refund of the purchase price of the analysis service. Applied Bioanalytical Labs shall not be liable otherwise or for incidental or consequential damages arising from using analysis results. Said refund is conditioned on Buyer giving written notice to Applied Bioanalytical Labs within thirty (30) days after delivery of Certificate of Analysis. Failure of Buyer to give said notice within said thirty (30) days shall constitute a waiver by Buyer of all claims hereunder with respect to said analysis service.
